

# CUSTOM ORDER REQUEST FORM

## Estimated Lead Times:

Quotes: 3-4 Business Days

Orders: 3-4 Weeks from date of order (average)

Exact lead times will be given on order acknowledgment

Quote # \_\_\_\_\_

(To be completed by FIREGEAR)

Request Date \_\_\_\_\_

## CONTACT INFO

Distributor (if known): \_\_\_\_\_

Contact: \_\_\_\_\_

Phone (office): \_\_\_\_\_

Email: \_\_\_\_\_

Street Address: \_\_\_\_\_

City: \_\_\_\_\_

State: \_\_\_\_\_

Zip: \_\_\_\_\_

Re-Seller: \_\_\_\_\_

Contact: \_\_\_\_\_

Phone (office): \_\_\_\_\_

Email: \_\_\_\_\_

Street Address: \_\_\_\_\_

City: \_\_\_\_\_

State: \_\_\_\_\_

Zip: \_\_\_\_\_

Fill in as many of the check boxes as you can in sections 1-10. If additional information is needed you will be contacted.

## SECTION 1 : PROJECT INFORMATION

Project Name: \_\_\_\_\_

Expected Need Date: \_\_\_\_\_

Project Application: Commercial  Residential

Gas Type: NG (Natural Gas)  LP (Liquid Propane)

Estimated Length of Run for Gas Line: \_\_\_\_\_

Size of Gas Line: \_\_\_\_\_

Always reference Gas Line Chart at firegearoutdoors.com to calculate correct size for gas line run distance and BTU's of burner

Describe your Project (please check all that apply):

Complete custom fire feature (includes Disc or Pan, Burner and Ignition System)

Custom Burner Only (no Pan, no Ignition System)

Custom Pan Only

Can the pan be made & shipped in segments? Yes  No

## SECTION 2 : IGNITION TYPE

Please select one ignition type:

Electronic Ignition 30VDC

Requires 120VAC

Max BTU rate of valve to be calculated:

290,000 BTU

500,000 BTU

or

Match Light

Light with a Butane Lighter

Key valve with key will be provided

If you chose Electronic Ignition. Please check all that apply for your desired accessories:

Mechanical Timer

Emergency Shut-Off

Wall Switch

Weather Proof On/Off Switch

**SECTION 3 : PAN & DIMENSIONS** If you only need a custom burner, skip to SECTION 4.

**NOTE:** There are Drop-In Pans & Flat Pans. Drop-In Pans require a lip dimension, Flat Pans have no lip dimension.

**NOTE:** Drop-In Pans have an approx depth of 2 3/4" and cannot be changed.

Please choose from one of the pan options and fill out desired dimensions:

Round Drop-In	Round Flat	Square Drop-In	Square Flat	Linear Drop-In	Linear Flat
<input type="checkbox"/> Outside Diameter (include lip)	<input type="checkbox"/> Outside Diameter	<input type="checkbox"/> Outside Length & Width (include lip)	<input type="checkbox"/> Length & Width	<input type="checkbox"/> Length (include lip)	<input type="checkbox"/> Width (include lip)
<input type="checkbox"/> Inside Diameter (exclude lip)		<input type="checkbox"/> Inside Diameter (exclude lip)		<input type="checkbox"/> Length (exclude lip)	<input type="checkbox"/> Width (exclude lip)
<input type="checkbox"/> Pan Lip Size Can be 1 - 3 inches		<input type="checkbox"/> Pan Lip Size Can be 1 - 3 inches		<input type="checkbox"/> Pan Lip Size Can be 1 - 3 inches	

**Flame Pattern:**

Field of Fire (H)

Single Row (T)

**SECTION 4 : CUSTOM BURNER ONLY**

Please choose one Burner style and fill out desired dimensions:

Spur STOCK ONLY	Ring STOCK ONLY	H CUSTOM OR STOCK	T CUSTOM OR STOCK	Octoberner STOCK ONLY
<input type="checkbox"/> Outside Diameter	<input type="checkbox"/> Choose from stock	<input type="checkbox"/> Length    Width	<input type="checkbox"/> Length	<input type="checkbox"/> Choose from stock
<input type="checkbox"/> 12" <input type="checkbox"/> 16" <input type="checkbox"/> 22" <input type="checkbox"/> 31" <input type="checkbox"/> 36"	<input type="checkbox"/> 6" <input type="checkbox"/> 12" <input type="checkbox"/> 18" <input type="checkbox"/> 24" <input type="checkbox"/> 30" <input type="checkbox"/> 36" <input type="checkbox"/> 48"	or choose from stock <input type="checkbox"/> 24"x6" <input type="checkbox"/> 27"x10" <input type="checkbox"/> 30"x6" <input type="checkbox"/> 33"x10" <input type="checkbox"/> 36"x6" <input type="checkbox"/> 45"x10" <input type="checkbox"/> 48"x6" <input type="checkbox"/> 57"x10" <input type="checkbox"/> 69"x10" <input type="checkbox"/> 81"x10" <input type="checkbox"/> 93"x10"	<input type="checkbox"/> 27" <input type="checkbox"/> 33" <input type="checkbox"/> 45" <input type="checkbox"/> 57" <input type="checkbox"/> 69" <input type="checkbox"/> 81" <input type="checkbox"/> 93"	<input type="checkbox"/> 12" <input type="checkbox"/> 18" <input type="checkbox"/> 24" <input type="checkbox"/> 30" <input type="checkbox"/> 36" <input type="checkbox"/> 48"

**BURNER FLAME EXPECTATIONS**

BTU's are set at 20,000 per linear foot. For example, a 4 foot burner would have an orifice rated at 80,000 BTU.

What is your expected flame height? \_\_\_\_\_

**SECTION 5 : ENCLOSURE DETAILS**

Please help us understand the enclosure that the custom burner will be installed in. If you have drawings or pictures, please provide those as attachments. The more details we have the smoother the quote process will be.

What is the enclosure constructed of?  CMU (Concrete Masonry Unit)  RTF (Ready to Finish)  SRW / Brick

Dimensions of enclosure: Height: \_\_\_\_\_ Width: \_\_\_\_\_ Depth: \_\_\_\_\_

Do you require a RTF (Ready to Finish)? If so, you can select from one of the following stock RTF sizes:

- RTF-L4224 (Linear 42" Length x 24" Width x 18" Height)
- RTF-L4234 (Linear 42" Length x 34" Width x 18" Height)
- RTF-L6024 (Linear 60" Length x 24" Width x 18" Height)
- RTF-L6034 (Linear 60" Length x 34" Width x 18" Height)
- RTF-L8424 (Linear 84" Length x 24" Width x 18" Height)
- RTF-L8434 (Linear 84" Length x 34" Width x 18" Height)
- RTF-L10824 (Linear 108" Length x 24" Width x 18" Height)
- RTF-L10834 (Linear 108" Length x 34" Width x 18" Height)
- RTF-R42 (Round 42" Length x 42" Width x 18" Height)
- RTF-R48 (Round 48" Length x 48" Width x 18" Height)
- RTF-R60 (Round 60" Length x 60" Width x 18" Height)
- RTF-S42 (Square 42" Length x 42" Width x 18" Height)
- RTF-S48 (Square 48" Length x 48" Width x 18" Height)
- RTF-S60 (Square 60" Length x 60" Width x 18" Height)

OR fill in desired custom RTF size: Height: \_\_\_\_\_ Width: \_\_\_\_\_ Depth: \_\_\_\_\_

**SECTION 6 : EXTERIOR OF ENCLOSURE**

What finishing material is the exterior?  Manufactured Stone  Real Stone  SRW / Brick  Stucco  Other

**SECTION 7 : VENTILATION**

What size of vents are being installed? \_\_\_\_\_

Gas Fire Pits require 18 inches of cross ventilation.

Do you want Firegear to provide vents? Yes  No

If so, choose from the following:

**SECTION 8 : JEWELRY**

Please check all options that you would like a quote for:

**Media:**

- Lava Rock (1" - 2")
- Lava Stones (1" - 2")

**Glass:**

- Large Reflective (1/2" - 3/4")
- Large Broken (1/2" - 3/4")

**Fire Pit Log Sets:**

- Constructed of Refractory Concrete and Steel.

Please refer to our website to view Media, Glass & Log Set options:

firegearoutdoors.com/jewelry

---

## SECTION 9 : ADDITIONAL INFORMATION

Please provide us with any information you feel we need to know about your project. The more information we have the smoother the quote process.

---

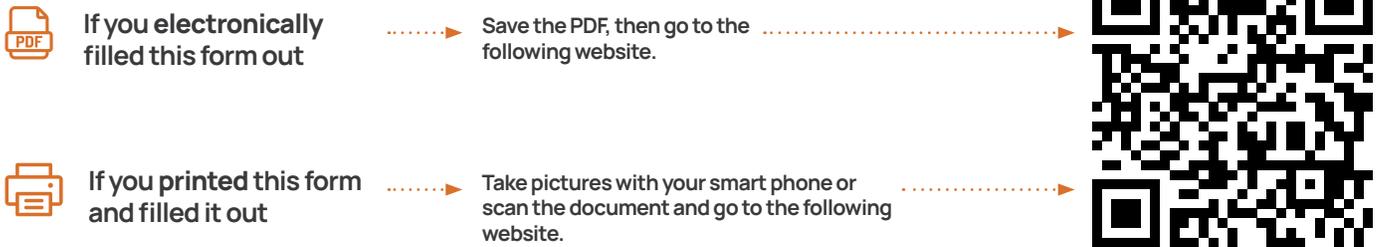

## SECTION 10 : DIAGRAM

If you have drawings, please include them as an attachment.

---

## FORM SUBMISSION

You can either print this form or fill this form out electronically.

Once you are on the website, you can use the form to submit your custom order.
